Making a cup of tea

1) First, find a cup or mug and place on the table.

2) Then, carefully fill the kettle up with 300ml of water.

3) Turn on the kettle.

4) Place a tea bag in the cup or mug.

5) Next, slowly pour the water inside the cup or mug.

Top tip – An adult will need to do this as boiling water is very dangerous.

6) Wait for a few minutes for the tea to mix with the water.

7) Remove the tea bag.

8) Next, add milk or sugar if would like.

9) Finally, sit back, relax and enjoy your cup of tea.
