

# Class 1 : Ask me about....

What a great first week we have had!!!

All children are settling well into school life and they are beginning to make lots of new friendships.

You will be emailed a newsletter every Friday sharing what we have been learning and highlighting events for the following week. There will also be a notice board outside of the classroom displaying the same information.

## Reminders and Upcoming Events:

- Monday 9th September Children will be in full time (8.45-3.15)
- Every Monday- Please send your child to school dressed in their Pe kit : Black shorts, Green logoed tshirt, Black plimsolls or white trainers and Winter: A tracksuit and warm jumper for outdoor games lessons. (preferably green, black or grey)

## This week.....

- We have been exploring the classrooms, getting messy in the mud kitchen, painting lots of pictures, reading in the book corner and there is still so much more exploring to do.
- We have started to learn about our rights :

Article 24: Right to a clean and healthy environment – To respect this right we know we need to tidy up, look after all the resources in our classroom, try and eat healthy food and drink lots of water.

Article 12 : Right to be heard- To respect this right we know that when one of our friends are talking we need to listen and wait for our turn to talk. We know that all of our ideas are valued and no idea is silly, it is okay to make mistakes. We know that the adults at school will always listen to all our views and any concerns they will support us with this.

- We have started to learn our set 1 sounds, this week Fred the frog helped us with the sounds:

- We learned rhymes to help us write these sounds (see the attached sheet). We have also been practising writing our names.
- We also made playdough ,we used 2 cups all-purpose flour 3/4 cup salt,4 teaspoons cream of tartar,2 cups lukewarm water and 2 Tablespoons of vegetable oil.
