Maths

Which is the most popular method? Walk

Which method is least popular? Bus

~~Est~~ Fluency

Day	Tickets sold
Monday	50 55
Tuesday	30
Wednesday	45
Thursday	75
Friday	85

Use this data and construct a bar chart

Reasoning - see ~~in~~ class page

Reasoning

Halifax City Football Club sold the following number of season tickets:

- Male adults – 6,382
- Female adults – 5,850
- Boys – 3,209
- Girls – 5,057

Would you use a bar chart, table or pictogram to represent this data?
Explain why.

Here is some information about the number of tickets sold for a concert.

Day	Number of tickets sold
Monday	55
Tuesday	30
Wednesday	45
Thursday	75
Friday	85

Jack starts to create a bar chart to represent the number of concert tickets sold during the week.

What advice would you give Jack about the scale he has chosen?

What would be a better scale to use?

Is there anything else missing from the bar chart?
