

Help the messy pirate 5 of his things! (easier)

1. **Start on the dark blue square facing the top of the map (like I did on the video/shown with an arrow), forward 1 square, quarter turn clockwise, forward 1 square = _____**
2. **Start on the dark blue square facing the top of the map (like I did on the video/shown with an arrow), forward 3 squares, quarter turn anti-clockwise, forward 1 square = _____**
3. **Start on the dark blue square facing the top of the map (like I did on the video/shown with an arrow), quarter turn clockwise, forward 3 squares = _____**
4. **Start on the dark blue square facing the top of the map (like I did on the video/shown with an arrow), quarter turn clockwise, forward 2 squares, quarter turn anti-clockwise, forward 3 squares = _____**
5. **Start on the dark blue square facing the top of the map (like I did on the video/shown with an arrow), forward 4 squares, quarter turn anti-clockwise, forward 2 squares = _____**
