Questions 9 to 19 are about 'Landmarks of the World'

9. Find and copy the word that describes the buildings that make a city easy to recognise.

1 mark

10. When was the Leaning Tower of Pisa built? Tick one.

1 mark

700 years ago

over 800 years ago

over 500 years ago

300 years ago

11. Put numbers 1-4 in the boxes to show how the tower got its famous lean. The first one is done for you.

1 mark

A heavy weight or anchor was added to make it safe.

The ground the tower was built on was very soft.

As the tower grew taller, it started to lean even more.

When the third level was added the tower started to sink on one side.
