

# Planning my video

Today we are going to plan our instructional video

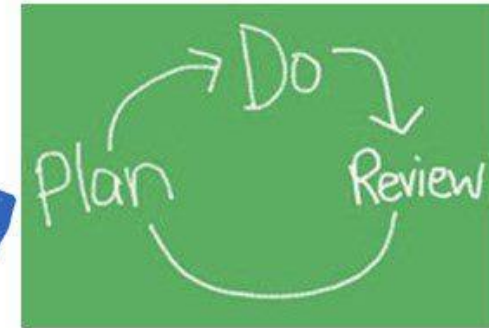

We need to think about what will make our video the best it can be?

Make a mind map of all your ideas, think about our filming that we have done in our past learning experiences. Can you remember?

Plan my  
instructions

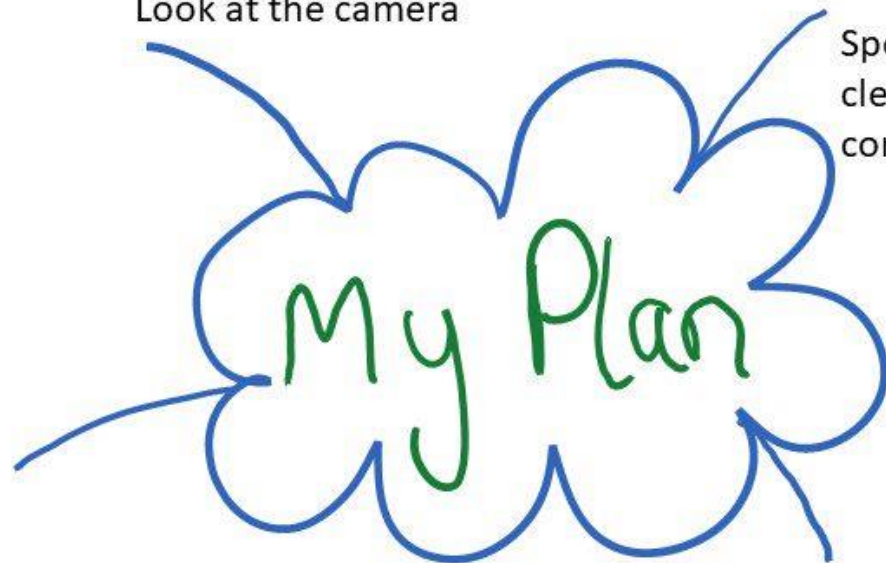

Tomorrow we will look at instructions

Learning Objective:-  
I can plan a video

Look at the camera

Speaking  
clearly and  
confidently

Demonstrate  
what I am doing

Instructional  
language
