

Class 1 :

Ask me about....

Reminders and Upcoming Events

Suggested Activities:

I have compiled a short list of activities to support and extend your child's learning . These are not compulsory however if you would like to complete these at home, I look forward to seeing and celebrating your child's home learning.

- Adding toys together.
- Go to the library to find information about the Emergency Services.
 - Practise zipping up coats and jackets.

This week.....

- We have had a great week. We have been developing our construction models inspired by the Emergency Services.
- We had a visit from a representative from the Royal Life Boat Association ; we learnt about the role of lifeboat volunteers and the service they offer to the communities near the sea.
- In Maths we have been answering word problems using our knowledge of addition.
- We began making our Emergency Services posters. We have been using the Austin's Butterfly Technique to develop and improve key aspects of our poster.
- In PE , we have been developing our tennis skills. We have been balancing the balls on the racket, and hitting the ball with the racket.
