

1. Choose a root word:

Fly
Sing
Jump
High
Catch
Proud
Burn
Watch
Buzz

Yell
Small
Bright
Fast
Wash
Smart

*Challenge – think of your own root words which would do not need to be changed if we add any of the suffixes below.
e.g. drop would not be a good example as we need to add another 'p' to 'drop' to make dropped or dropping.*

2. Add one of these suffixes to the root word:

-ing
-ed
-er
-est

3. Write your word with the suffix in a sentence. Underline the root word in one colour and the suffix in another colour.
