

Day 3 Angles in quadrilaterals Sheet 1

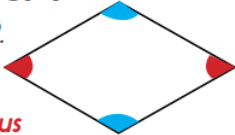

1.

Rectangle

Number of acute angles: 0
Number of obtuse angles: 0
Number of right angles: 4

2.

Rhombus

Number of acute angles: 2
Number of obtuse angles: 2
Number of right angles: 0

3.

Trapezoid

Number of acute angles: 2
Number of obtuse angles: 2
Number of right angles: 0

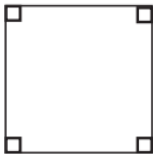

4.

Trapezoid

Number of acute angles: 1
Number of obtuse angles: 1
Number of right angles: 2

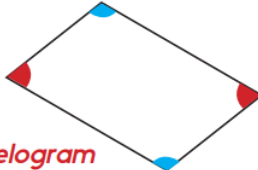

5.

Square

Number of acute angles: 0
Number of obtuse angles: 0
Number of right angles: 4

6.

Parallelogram

Number of acute angles: 2
Number of obtuse angles: 2
Number of right angles: 0

Day 4 Sorting quadrilaterals Sheet 1

All sides are the same length

Four right angles

Has at least one pair of parallel sides

Symmetrical
