**Medium activity 1**

Sort the fractions into two groups. Draw a table in your book like I have done below. In the left column put the fractions with 1 as a numerator. In the right column put the fractions with more than 1 as a numerator.

$$\frac{1}{2}$$ $$\frac{2}{4}$$ $$\frac{1}{4}$$

$$\frac{1}{3}$$ $$\frac{3}{4}$$ $$\frac{2}{3}$$

1 as a numerator	More than 1 as a numerator

Medium activity 2

Match the fraction with the written words. Write them out in your book.

$$\frac{1}{2}$$

$$\frac{1}{3}$$ $$\frac{2}{4}$$

$$\frac{1}{4}$$ $$\frac{3}{4}$$

$$\frac{2}{3}$$

three quarters

two thirds

quarter

two quarters

half

third

two quarters
