

Dear parents/carers,

Following Mrs Mitchell's letter in regards to home learning. We have now made a few changes to the timetable these are as followed.

The children will be organised into groups for Maths (circle, triangle, square)and experience (penguin, tortoise and parrot) please see tapestry to find out which group and videos to access for your child's home learning.

By each lesson it will say whether it is **Must should could**

We are suggesting that Maths, Phonics and Experience (Literacy) are **Must**

The project/inspired play and wellbeing lessons are **should**

Chilli challenges/extensions, forest school and effective communication are **could**

Please find a weekly overview of the learning below. This will be uploaded every Sunday night.

Any queries do not hesitate to email.

Many thanks

The EYFS team

Experience/Learning

The Great Pet Sale

Day 1

Teams- Scavenger hunt linked to the alphabet.
Lit- The Great Pet Sale - creating a list of animals from the story. Adding adjectives to describe each animal.
Maths- Money- Using different coins to make the same value.

Day 2

Teams-
Lit- Choosing favorite animal from the story and mind mapping adjectives to describe it.
Maths- Discussing which amount costs more or less and justifying our answers.

Day 3

Teams- Coins more/less
Lit- Writing a sentence using 'and' to join two adjectives together.
Maths- Adding 2 prices together to find the total.

Day 4

Teams- Planning our return to school - come with some ideas for what you would like to do when we are back in the classroom. World book day Activity.
Literacy- Creating a poster to advertise their chosen animal.
Maths- Finding the total and problem solving using our knowledge of money

Day 5

Teams- Today we will be sharing the posters from this week's learning.
Forest school **Effective communication**
Literacy/Maths- Reflection
