

Tuesday 2<sup>nd</sup> March

**LO: To know the value of coins.**

**Know:**

I know which item costs more or less.

**Show:**

I can show that an item is more or less using resources.

I can order the items by price.

## STARTER

What is one more and one less? Children to use number line to answer some more or less questions in Mrs Ryan's video.

## THEN

Watch Mrs Ryan's main video

## ACTIVITY

Look at the prices of the animals from the story and compare using the language of 'less' and 'more' Can you order all the animals? Talk about what you can see.

## Vocabulary

Coins

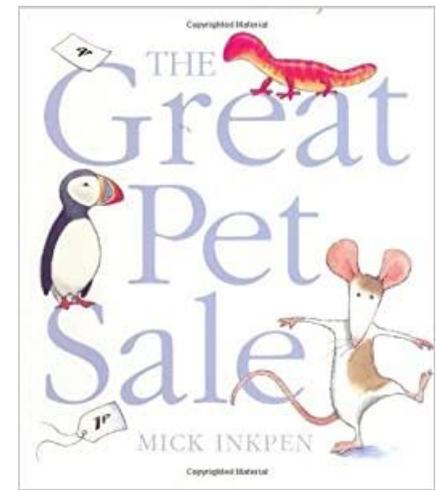

Money

Value

Order

More

Less

## Key Questions

What animal has the highest value?

What animal has the lowest value?

Can you order the animals and the values?

What coins can you use to make the values of the animals?

Can you decide if the statements  
are true or false?  
Can you justify your answer?

1. The pelican is more than the turtle.
2. The koala is less than the penguin.
3. The parrot and the puffin together cost 10p.
4. The salamander costs the same as the 2 turtles.
5. I need a 2p and a 5p to buy the skirt.
6. The gecko is more than the anteater.
7. The gecko is less than the broken things.

An example to help...

My chosen animals are penguin and terrapin and skink.

Terrapin

2p

Penguin

5p

Skink

7p

1. Choose 2/3 animals
2. Order them from the lowest value to the highest value.
3. Answer the questions
4. Use coins to show the values of each animal

Can you order these animals in accordance to their values?  
Can you make their values?

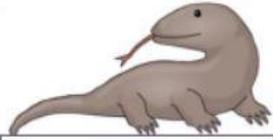

Which has the highest/smallest value?  
Which is more/less?

How much more/less are there between 2 of the animals?

What is the difference between the highest and the lowest valued animal?

Can you order all the animals from the story? Use the maths vocabulary to talk about the animals and their monetary values

Komodo Dragon
