## Animals

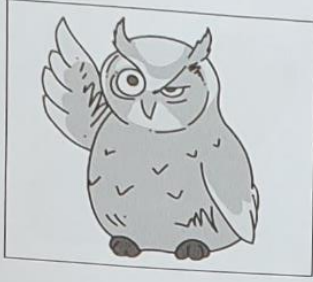

The dirty dog goes bark bark bark in the dark while  
the birds goes cheep in the park.

At the zoo I can see a bears sleeping comfortably.

In the jungle where parrots sing a magnificent monkeys  
swing swing swing.

I am a zestyful zebra that goes neigh. My friend is a  
black deer born in May.

Sleeping lions go yawn yawn yawn ~ kind kangaroos  
wake up at dawn.

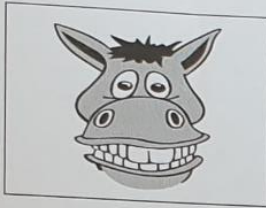

**On the funny farmyard.**

**The cool cow goes moo moo,  
And the old owl goes twit twoo.**

**On the funny farmyard.**

**The hilarious horse goes clip clop,  
And dangerous duck drops in the pond with a plop!**

**On the funny farmyard.**

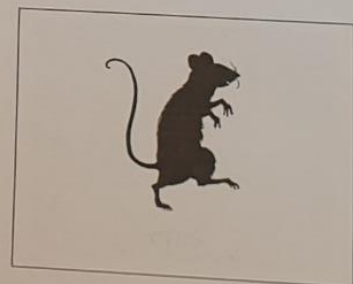

**The pretty pig goes oink oink,  
Then she gives us a big wink!**

**On the funny farmyard.**

**The cute cat goes meow meow,  
And the mysterious mouse takes a bow.**

**On the funny farmyard.**

Thuesday 2<sup>nd</sup> March

At the zoo

Excitable crocodiles love it when their teeth go snap, while the grapping crocodiles

Cunning crocodiles love it when their teeth go snap, while the gistes slap, slap, slap.

Frazzly crocodiles love it when their teeth go snap, while the lazy lions roar.

Clumsy crocodiles love it when their teeth go snap, while the pretty Poodles yap.

Crabby crocodiles love it when their teeth go snap, while the crisy cheeras sloop.

## My Poem

The dirty dog goes bark/bark/bark,  
while it plays in the dark.  
The happy Horse goes nay/nay/nay,  
while the doggoes bark/bark/bark,  
while it plays in the Park.

The super snake goes Hiss, Hiss, Hiss,  
while it slithers in the mist,

The pink pig goes oink, oink, oink,  
The super Snake goes Hiss, Hiss, Hiss,  
while it scithers in the mist.
