Preparation for Year 1

Dear Parents and Carers,

The children have been working hard this year during their phonics lessons and we will be continuing to support the children in the new academic year. In preparation for year 1, we have created a resource pack for the children to practise their sounds and decode words at home over the summer .

In the pack we have included speed sound soundmat, photocopies of speed sounds, nonsense words, list of speeds sounds support videos and a previous year 1 screening check test .

Below you will find online resources that you can also use to support the children.
