CHILDREN'S MENTAL HEALTH WEEK

On the week commencing 5th February, it is Children's Mental Health Week. Throughout the week, we will be focusing assemblies and wellbeing sessions on mental health.

On Friday 9th February, we invite all children to 'Dress to Express'.

We're all different – we all have different things that make us tick and that bring a smile to our face.

Express Yourself allows children and young people to celebrate what makes them unique with an incredibly fun dress-up day – this could be sharing their favourite hobby, such as skateboarding or dancing, or wearing their favourite colour or accessory. Or it could just be coming in as themselves. **Express Yourself** is about letting children's voice shine through and empowering them to tell their own stories! If you need a little inspiration, here are some ideas on the right to get you started!
