Dear Parents/Carers,

As part of our farm curriculum learning experience we are taking a close look at Guinea Pigs, Rabbits and Tortoises. In class we have been finding out all about their habits and biology and as part of this learning we will be visiting the community farm at Seal Primary School on Monday 5th February. There, we will be spending the whole day learning more about how to care for them as well as finding out about the other animals that live there and how the farm runs.

There is no cost for this trip and we plan to transport the children by minibus to and from Seal within usual school hours, so pick up and drop off will be as normal here at Four Elms.

Please send your child into school wearing old clothes and both indoor and outdoor shoes (such as wellies). All children will need a packed lunch to take with them on the day, if your child receives free school meals or if you would like to order a lunch for that day, please order as usual and inform the office by Friday 2nd February, so that this can be arranged.

We do require your consent for your child to attend this trip. If you log onto the MCAS app and under the trips section on the dashboard you will be able to enrol.

Please get in touch if you have any questions or concerns:

fglennon@inspiream.org.uk

Kind regards,

MS Glennon
