

Diary entries, sent to Leeds Castle
Castle for publication on
their website.

Dear diary

My name is Henry the VIII my dad is Henry the VII and my mom is Elizabeth of York. Yes so my name is Henry I am a tudor rich. We have fancy clothes, beautiful houses and hundreds of servants.

My first wife ~~is~~ is my brothers widow was Catherine of Aragon. She ~~spoke~~ speak so many languages I did not unders.

Field of Cloth of Gold. It is going to be the best festival. There will be lots of tudors and there will be lots of gun games to play. It ~~is~~ will be an eighteen night thing. I had a battle with someone called Francis with king of france. We did a normal battle with he won and so I am angry and ANOYED!!!

So I am tudor mega rich, although my butler is tudor poor. They work for me because they want someone to live well. They have to sleep with me in case I need anything in the night.

Today I have been thinking more about the tudor poor. They always wear loose fitting clothes and share there houses with there animals and to make them warm. Apparently, they do not eat meat only bread and vegetables.
