FOUR ELMS PRIMARY SCHOOL

Friday 15th March 2024

Message from Miss Fermor

The children have resumed their experiences this week after the busy book week last week. Class one are working towards creating their final piece of art work which has been inspired by Van Gogh. They have been using the art technique 'impasto'. Class 2 have continued their fantastic work on the Great Storm of 1987.

Class 3 have been researching about Italy, with a particular focus on the human and physical Geography.

Class 4 started the week with a day at the farm where they spent a lot of time with the pigs. We were lucky to also see the adorable lambs too. In school, class 4 are enjoying studying Oliver Twist and some of the children have expressed that they would like gruel at home!

Tonight, Year 4 are heading for a sleepover at Adventure Kidz as part of our residential programme, which I know the children are very excited about.
