

# Esmé's Vegetable Patch - Ideas

**carrots!!**

beans

tomatoes

courgettes

# Esmé's Vegetable Patch

## How do I Grow it?

1. I need some seeds and soil.
2. Put the seeds into the soil
3. Then cover with a little bit of soil
4. They will need water to get started

SC1

## How do I Care for my Plant Once Grown?

1. Water them every day
2. When seedlings are an inch tall, thin them out
3. Water once a week and weed around them
4. Check for pests

SC2

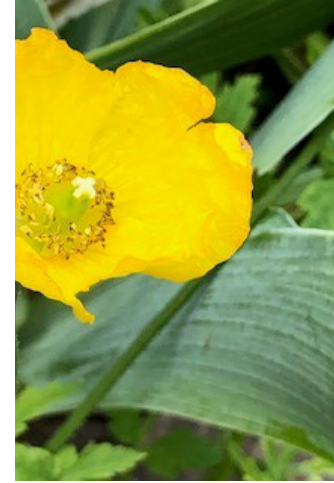

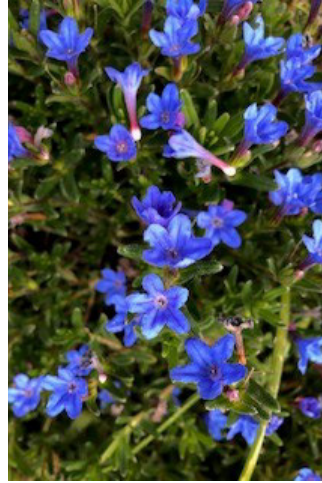

**carrots!!**

## **Why I chose to grow carrots:**

- Aunty Jenny gave me seeds for Christmas
- I eat a lot of carrots and I am excited to grow them.
- We have space on the allotment.
- The ground is already prepared. I have dug up the weeds and raked it.
